KIRKPATRICK COMMENTS ON AMERICAN INTELLIGENCE

Wells Church at 1:00 P.M. over WCBS (NY):

"In California, the Inspector-General of the Central Intelligence Agency, LYMAN KIRKPATRICK, although refusing direct comment on the plane incident, declared that the American intelligence network within the Soviet Union is more effective than the Russian think.

"It still is not as effective as we would like it to be," he added. And then he refused to elaborate."
